

2019/07/01-2019/07/07 WeeklyReport

DONE

Summer School Course Preparation

Give a pre-talk, made some modification;

Build the homepage/blog of our group

Built Homepage and the Blog;

Homepage: <https://zjuvag.github.io/>

Blog: <https://zjuvag.github.io/blog/>

Wait for markdown files...

Yuque is very suitable for our group.

It contains: knowledge base (similar to e-book), forum, and documents.

We can write weekly reports, build knowledge collections, and discuss some topics on it.

Graph Visualization Engine

- Built a simple style interface to change the style of nodes;
- Write an interface of layout algorithms.

Plan

Short Term Plan(Next Week)

1. Graph Engine.
